Tariq is eleven years old. He goes to school every day of the week. He has many subjects to go to each school day: English, art, science, mathematics, gym, and history. His mother packs a big backpack full of books and lunch for Tariq. His first class is English, and it is his favorite subject. Mr. Khaled is his English teacher. Tariq likes his teacher very much. His English teacher says that he is a good student. His next class is art. He draws on paper with crayons and pencils and sometimes uses a ruler. Tariq likes art. The blue color is his favorite color. His third class is science. This class is very hard for Tariq to figure out, but he gets to work with his classmates Ali a lot, which he likes to do. His friend, Ali, works with Tariq in science class, and they have fun. Then Tariq gets his break for lunch. The next class is mathematics, the math teacher is very nice and helpful. His fourth class is gym. It is just exercising. History is his last class of the day.

Read the following passage and choose the correct answer below:

Countries around the world have national holidays. Of course, the holidays are on different days. The ways people celebrate national holidays are sometimes similar. In United Arab Emirates, Federation Day is on December second. People decorate the streets with bright lights. On November eighteen, people in Oman celebrate National Day with parades and fireworks.

In Kuwait, they celebrate two national holidays on the same time. National day in Saudi Arabia is on September 23rd. Cities everywhere have green and white decoration. People fly flags and Celebrate in the streets.
